Senator Wood moved to table the amendment.

The motion to table prevailed.

Reasons for Amendments.

Senator Moore sent up the following:

Mr. President: My reasons for proposing the amendments to reduce the budget for the Department of Education are many and varied, and too numerous to mention in detail, but my chief reason is based upon the public belief among Legislators that the Superintendent of Public Instruction, S. M. N. Marrs, is grossly abusing the prerogatives of his office and using same for personal and political rather than educational purposes.

Following an investigation of the activities of the Department of Education. I find that the present incumbent collects monies from the school teachers of Texas, deposits these funds in a local bank and checks same out on his personal checks. These funds are collected, I believe, under the Division of Certification. It is my information that the Superintendent, S. M. N. Marrs, has a number of employes in the Division of Certification paid out of this fund. As this money is now collected and expended the constituted authorities of the State have no supervision over same.

A further investigaion discloses that S. M. N. Marrs, following adjournment of the Regular Session of the Fortieth Legislature, caused to be printed and circulated letters touching the vote of members of the Legislature upon tax matters under consideration at that session; these letters were printed and mailed at State expense to hundreds of school authorities and school trustees throughout the State, and was an expense to which the State, in my judgment, should not be subjected.

Furthermore, S. M. N. Marrs did, early in April, make a trip from Austin to Rockwall, in Rockwall County, for the purpose of advising the rural school trustees of Rockwall County whether it would be legal for them to spend local school funds to subscribe for the "Texas Outlook." State school paper, for each individual rural school trustee of said county. Information that S. M. N. Marrs did make such a trip for the purpose stated is contained in a letter from A. B. C. Dean, superintendent of schools of the city of Rockwall, and Marrs' reply thereto. Said letter of invitation and the reply were shown me within the past few days by one L. W. Rogers, first assistant superintendent of schools.

Upon the occasion of his appearance at Rockwall, S. M. N. Marrs not only discussed the matter of school trustees subscribing for the magazine, at expense of the county school fund, but took occasion to attack my vote upon the tobacco tax considered by the Regular Session of the Fortieth Legislature.

I maintain that S. M. N. Marrs overstepped his rights and privileges in the purposes of his trip to Rockwall; that he went far beyond his duties as Superintendent of Schools of Texas in circulating letters attacking the vote of members of the Legislature upon questions for which Legislators themselves are responsible to the people; that he has and is now abusing the privileges of his office, and that the Legislature should greatly reduce the budget of the Department of Education to the end that thousands of dollars now spent in traveling expenses, postage and the like should go into the available school fund for the benefit of the school children of Texas.

Investigation shows that under the Division of Vocational Education certain individuals are receiving salaries totalling in some instances \$308.32 per month. I maintain that such salaries are excessive and out of proportion to those paid other State employes, and believe the Legislature should launch a full and complete investigation of the Department of Education to correct many alleged abuses being practiced therein.

Senate Bill No. 4.

Senator Wood sent up the following amendment:

Amend S. B. No. 4, page 19, by striking out the figures \$500.00 for each year in line 11, and inserting in lieu thereof the figures \$1100.00 for each year.

The amendment was adopted.

Senator Holbrook sent up the following amendment:

Amend S. B. No. 4 by striking out on page 29 of said bill lines 22 to 32, inclusive, and striking out on page 30 of said bill lines 1 to 3, inclusive.

Senator Wood moved to table the motion.

The motion prevailed by the following vote:

Yeas-17,

Bailey. Miller. Berkeley. Moore. Bledsoe. Pollard. Fairchild. Real. Floyd. Smith. Hall. Westbrook. Hardin. Wirtz. Lewis. Witt. McFarlane. Wood.

Reasons for Vote.

Senator Holbrook sent up the following:

I wish to be recorded in the Journal as voting "No" on that portion of S. B. No. 4 as follows:

I vote "no" on the appropriation made in lines 22 to 32, inclusive, on page 29 of said bill and on lines 1 to 3, inclusive, on page 30 of said bill for the reason that there is included in said lines a blanket appropriation giving carte blanche authority without itemization to the Game, Fish and Oyster Commissioner to spend for any purpose provided in Article 895 of the Revised Penal Code a sum of money now credited to the Special Game Fund in the State Treasurer's Office, \$416,973.40 as shown by the Treasurer's report as of May 1, 1927.

Besides this there is at the present time the sum of \$355,552.08 in the State Treasury claimed by said fund and which may be eventually allowed to it.

In addition to all this there is appropriated in these lines in the same manner all of the monies coming into the Special Game Fund from now until August 31, 1929, which will, judging by the past, amount to more than a million dollars.

I am unalterably opposed to appropriating these funds, amounting to approximately two million dollars to the Game, Fish and Oyster Commissioner to be spent practically at his own will and pleasure. I would be opposed to making such an appropriation to any State official to be spent in that manner.

Adjournment.

On motion of Senator Fairchild, the Senate, at 4:50 o'clock p. m., adjourned until 10 o'clock a. m. Tuesday morning.
